

PARTY PLEDGES ARE OBSERVED IN DUNN BILL

Measure Reorganizing State
Department Passes
House.

STRICTLY PARTY VOTE Appeal to Courts to Kill Emergency Clause

Columbus, O., March 18.—When informed that the Dunn bill, providing for reorganization of state departments, had passed the house by a strict party vote—107 Republicans to 11 Democrats—Gov. Davis said such action "is an indication that the Republicans in the general assembly intend to stand by their party pledges." During the roll call, enacting the emergency clause, seven Republicans voted with the minority members in opposing its passage. The vote was 100 to 18.

Dispensing with all discussion of the measure, it was placed upon its passage as soon as the house clerk finished reading it. The Democrats, however, submitted a written protest against the emergency clause, announced their intention to appeal to the courts in an effort to invalidate the clause. They accused the Republicans, in supporting the emergency clause, of "deliberate and purposeful misrepresentation, designed to serve a selfish end."

The senate reorganization committee, Senator Bellow, Cincinnati, chairman, will conduct hearings on the Dunn bill next week.

To Introduce Measure.

Chairman Freeman of the house taxation committee, expects to introduce next Wednesday a measure embodying the recommendations of Gov. Davis recent citizens committee which favored submission of an amendment to the state constitution providing for abolition of the uniform rule of taxation, placing in the constitution limitations on taxation of real estate, and compelling collection of an income tax.

The house indefinitely postponed the new Hard bill providing for decrease in tax rates in proportion to increases in the property, duplicate, and placed at the foot of the calendar the bill by Miller of Coshocton, compelling Ohio residents to list for taxation in their home counties money invested in other states.

The bill by Rep. Burns, Washington county, permitting liability companies to sell workmen's compensation insurance in Ohio, has been recommended by the house insurance committee for passage.

The house defeated the Kuhn bill seeking to repeal the non-judicial judiciary system, but passed the Copeland bill, fixing a milk standard of 3 per cent milk fat and 12 per cent total solids, and the Rowe measure, raising to \$5,000,000 the amount of county funds which may be deposited in one bank.

The bill by Senator Burke, Lorain, providing for firemen's indemnity fund in municipalities, passed the senate.

The house has concurred in the action of the senate in passing the McCoy-Atkinson bill raising to \$35 from \$15 a month the sum probate judges may pay to a family where the husband is dead, or is unable to work because of sickness.

TRIGGER CASE WILL GO TO JURY FRIDAY EVENING SAYS COURT

Opposing Lawyers Fling Charges Of "Falsehood" At Each Other

Mingo County Courthouse, Williamsport, W. Va., March 18.—The trigger case will go to the jury tonight Judge Robert D. Bailey announced in adjourning the forenoon session.

"Falsehood" was the challenge flung by two lawyers, trembling and white with rage, in the trigger trial today.

They came close to blows; the crowd held its breath in the tensest moment yet witnessed during the trial.

John Marcum, pleading for the state, was making a violent attack on the United Mine Workers of America and the sixteen accused miners in particular. He spoke of an alleged demonstration of violence by union miners.

Harold W. Houston, whose previous plea for the defense Marcum was assailing with cutting bitterness, jumped to his feet.

"That's not true—and you know it isn't," he shouted.

"Ah, I knew you wouldn't like it," shot back Marcum, advancing toward Houston and pointing his finger at him across the counsel table.

A deputy sheriff with a gun bulging from each hip stepped close to the two.

"We Find The Defendant, Clara Hamon Not Guilty"

The jury in the Clara Smith Hamon murder trial which returned a verdict of not guilty at Ardmore, Okla., today, left right: G. M. Hancy, R. R. Callaway, T. L. Wilkes, W. A. Jolley, D. M. Sellers, A. D. Davis. Bottom row, left to right: T. H. Roberts, D. E. Allen, G. E. Newman, O. D. Thomas, E. F. Loughbridge and T. W. Deen.

After 39 minutes of merely formal deliberation, the jury which for one week had been trying the girl for murder, returned a verdict of "not guilty" at 5:07 o'clock Thursday evening.

The prosecution realized from the beginning of the trial that the outcome would be nothing but acquittal.

As a result, Mrs. Jake L. Hamon, widow of the man for whose murder Mrs. Clara Hamon was tried, was not in court when the verdict was read.

Hamon, who was a millionaire oil man and Republican National Committeeman, was Mrs. Clara Hamon's uncle by marriage.

CLARA SMITH HAMON TO BEGIN LIFE ALL OVER SHE DECLARES FOLLOWING HER ACQUITTAL

Ardmore, Okla., March 18.—I have been vindicated. Twelve men have weighed the evidence and have cleared me. I am free—declared innocent of the charge of killing in cold blood the man I loved and still love. The jury did not clear me because I was a woman. The truth was on my side and it could not be otherwise. Freedom means only one thing to me—the chance to make up for the past.

I have victory over those who

conspired with all the millions and power at their command to convict me—by lies. This is all the triumph I have had.

The past bore me no triumph. I had the man I loved but the price I paid! Wrecked health, degradation, shame! There is only one lesson to draw from my life—no one can violate the laws of God and man with impunity.

Now I rejoice because I am free

to make up for the past. I have no immediate plans other than to go to California or somewhere for a long rest.

I have had offers from many moving picture companies which seek to film the story of my life. I have signed no contracts as yet and do not know whether I shall. I have told all who have made me offers that I would rather work as a stenographer for \$25 a week than parade my past for millions, unless through the medium of pictures I can carry to the world the moral messages of my life.

If I sign a contract it will not be for an Al Jennings or a Henry Starr sort of picture.

Sin will not be made attractive. I shall not appear as a heroine or will illicit love relations be painted with romantic glamor. It will show the truth—the suffering, the degradation of it all—and in such a manner as to burn deep into the hearts of girls.

I have no money. I have pawned my diamonds to pay the expenses of my trial. There are many expenses yet to meet and I must do something to make a living.

Before I do anything, I must make my peace with my God.

Next Sunday I shall go to church and by baptism cleanse my soul of sin.

It will be my re-birth. I shall walk out of church into the sunshine a new Clara Smith Hamon who is determined to live down the past and prove herself worthy of the world's respect.

My trial brought home to me the suffering I have caused my family. For the sake of these dear ones I shall try—Oh, try so hard—to make up for everything.

I thank all those wonderful friends who have kept their faith in me. They have been so wonderful.

They know that there are tears in my heart even on this day.

Bergdoll Case Will Be Re-opened By Government

Outcome Of Case Will Involve Fate Of Thousands Of
Alleged Draft Dodgers—Pivotal Point Is
Receiving Of Notices.

Washington, March 18.—The case against Irwin Bergdoll, brother of Grover Cleveland Bergdoll, under sentence of five years imprisonment for evading the draft, is to be reopened at the request of the government and a new hearing will be held in the district court at Kansas City probably within a week it was learned here today.

The government desires to present additional evidence to strengthen its side of the case which is pending in the district court at Kansas City, as officials anticipate the decision in this case will be used as the basis of future actions against draft evaders when the official list of these evaders is made public by the war department in the near future.

The case of Irwin Bergdoll hinges upon the question of what constitutes legal notice of induction into service. Certainly if the courts definitely decide that mailing draft notices does not constitute service, convictions of draft evasion will be exceedingly difficult, as mailing was the usual manner of notification practiced through out the war.

Should Judge Pollock, decided in favor of Bergdoll, the government will appeal to the circuit court of appeals, and if necessary will bring the case to the supreme court of the United States. It is also expected that Bergdoll will make a similar appeal if the case is decided against him. As the status of approximately 150,000 alleged willful draft evaders is involved, the government is expected to put up an earnest fight.

UNEARTH PLOT TO KILL IMPORTANT MEXICAN OFFICIALS

Rail Executives Of Mexico
Are Marked For
Death.

Mexico City, March 18.—Secret service agents have unearthed a plot to kill important officials of the National Railway lines in connection with the rail strike, it was learned from an authoritative source today. The officials who were said to have been marked for death at a secret meeting are director general Perez and his assistants J. M. Carpio, F. P. Landa and N. Procel; Secretaries O. A. Graviolo and C. Zapata; Supt. of Telegraph E. B. Arias and Col. A. P. Alfaro, commanding the troops guarding the line. Another hitch has occurred in putting the strike agreement into effect over the men's demand that all strike breakers be discharged.

Ten thousand workers in the Orizaba district quit work on Thursday in sympathy with the rail men.

NINE DWELLINGS WRECKED IN BLAST FOLLOWING DISORDER

Albany, N. Y., March 18.—A street car and nine dwellings were wrecked early today by an explosion that occurred during an outbreak of disorder in the trolley strike. Members of the state police and an invalid—a member of a family in one of the wrecked dwellings—injured. The explosion occurred in Broadway.

RETIRED DIPLOMAT EXPIRES

New York, March 18.—The death of John S. Twells, 87 years old, who retired 15 years ago after 20 years in the consular service of the United States, was announced here. He has been American consul at Naples, Jamaica and Carlsbad. Mr. Twells was a member of the Princeton class of 1854.

INDUSTRIAL CRISIS IN ITALY REACHED

NUMBER OF IDLE MEN IS ESTI-
MATED AT 120,000 IN
WORTH

Milan, March 18.—A crisis has been reached in the industrial situation in northern Italy and the number of idle men was estimated today at 120,000. Three hundred thousand workmen are on half time. The situation in the cotton, wool and silk textile trades is especially serious. The hours of the iron and rubber workers have been cut 50 percent. Nearly all of the shoe factories have been closed and the automobile industry is completely stagnated.

U. S. SUBMERSIBLE PULLED FROM REEF EARLY FRIDAY

Watch Hill, R. I., March 18.—United States submarine N-2 was pulled from Watch Hill reef early today. The undersea boat had hung in a perilous position the submerged rocks 14 hours. The N-2 was floated by the coast guard cutter Acusnet and other craft. The submersible was towed to New London apparently undamaged. Lieut. Claude Farmer, U. S. N. and men remained on the craft.

GERMANY OFFERS MEXICO MONEY FOR LAND GRANT

Mexico City, March 18.—A German syndicate has offered 6,000,000 pesos to the Mexican Government for a large tract of land in the state of Coahuila for colonization purposes, it was reported today.

OHIO GIRL HELD PRISONER BY BAND OF BANK ROBBERS

Police Capture Men Alleged
Implicated In Rob-
beries.

New York, March 18.—Lettie Johnson, a pretty girl who told detectives she came from Greencup, near Marion, Ohio, was found virtually a prisoner in an uptown apartment early today when police raided it and took into custody two men who are being held in connection with the robbery of a bank at Wyomissing, Pa., Feb. 2, in which \$180,000 in cash and bonds was obtained. Stuart F. Wallace, one of the men arrested is said to be under indictment in Chicago for violation of the Man act in bringing the girl here. The police said she probably would be sent to her home.

In the raid on the apartment the police found Wallace, Charles Stark, Alias Rothaling Meyers, alias Berger, Miss Johnson and two other women. The women were released. The police recovered \$43,000 in bonds which they declared had been identified as part of the loot from Wyomissing bank. Wallace and Stark will be held, it was said until the arrival of officers from Wyomissing.

ANTI-RED REBELS FLEE INTO FINLAND

BLOW UP TWO WARSHIPS BE-
FORE DESERTING CITY
OF KRONSTADT

Helsingfors, March 18.—Large number of anti-bolshevik insurgents who were defeated by red troops at the fortress of Kronstadt have fled into Finland. The rebels blew up the warships Petropavlosk and Sebastopol before they fled. Kronstadt—both the town and the fortress surrounding it—is in the hands of the reds who have begun to repair the damage done by the heavy fighting in that district.

U. S. SOLDIERS HURT DURING BORDER CLASH

Fighting On Rio Grande
Dies Down Early On
Friday.

MEXICANS BLAMED Trouble Starts When Trio Opens Fire On Americans

El Paso, Texas, March 18.—Fighting that broke out last night along the Rio Grande between Mexicans and United States immigration officers and soldiers had died down this morning and the border was quiet. A close guard was being maintained, however, by American troops.

Two United States soldiers were wounded during the exchange of shots and several Mexicans are believed also to have been hit.

The shooting started when an immigration inspector called on three Mexicans seen wading across the Rio Grande to halt. The Mexicans are said to have opened fire, which the immigration officers returned. Riflemen ambushed along the Mexican side joined in the shooting and United States troops likewise entered the fray. Firing continued almost steadily until an early hour this morning.

Private M. J. Keller, Company D 48th infantry, and Private Petroski were wounded. Petroski's wound is said to be serious. Joseph F. Thomas, an immigration officer, sustained a slight scalp wound.

Washington, March 18.—No reports of the fighting along the Rio Grande has reached the adjacent general of the war department up to 8:40 this morning.

Secretary of Labor Davis was at his office early today but stated that immigration authorities had made no report on the clash with Mexicans.

URGE PURCHASE OF WATER METERS AT EARLY DATE

Meter service for all patrons of
Xenia's municipal water works is
now being urged by the city author-
ities.

Meters are now on sale for which arrangements can be made with City Auditor T. H. Zell at the city building and their installation before September 1, 1920, is made compulsory by the City Commission.

It is pointed out in adopting the use of the meter system for all accounts, that the result will not only be an economical move on the part of patrons with several facets and who use a considerable amount of water, but will also reduce the pumping expense, thereby saving the city money.

The average quarterly meter bill is \$2.61 according to City Auditor Zell who says that patrons who wish may examine the city's books to verify this statement. This amount is considerably smaller than the flat rate charge paid by most consumers, which proves that the majority of patrons are paying for more water by the flat rate than they are really using.

This saving will be experienced by every patron, it is said, unless they have only one faucet the charge on which would be smaller than the average meter rate shows. However, the saving to the city would justify the installation of meters even by such patrons, if they have the financial interests of the city at heart, it is pointed out.

The city commission at a recent meeting, agreed that all accounts must be metered by September 1. If the meter, a supply of which is now on hand, is ordered before June 1, the amount of the June quarterly bill, will be deducted from the price of the meter, according to the plans of the officials. Thus since the meter is being sold for \$12, the bill due June 1, was \$4, the patron can get the meter for \$8, which is the difference between the price and the regular water bill. Patrons who wish to pay cash for the meters will be allowed \$1.10 reduction, making the meter only \$11. Others who wish to pay for the meter in installments, will be permitted to pay one-third of the cost September 1, one-third December 1, and one-third March 1, 1922.

It is pointed out by City Auditor Zell that where meters are installed the amount of water is cut considerably. Statistics show that where 75 gallons is a normal usage for each person where meters are not installed, that after installation, the normal use of meter is only 24 gallons for each person.

DEFICIT IS REPORTED

Ottawa, March 18.—Minister of Railways Reid announced in the House of Commons that the operating deficit on government railways in 1920 was \$69,593,441, in comparison with a deficit of \$48,000,000 in 1919.

HARDING STILL SILENT ON RUSSIAN POLICY

Government Directs Attention Toward Domestic Mat-
ters—Pressure Being Brought To Bear By
Labor Circles To Resume Trade.

Washington, March 18.—The Harding administration is two weeks old today, but as yet there have been no hints forthcoming from the White House or from sources close to it as to the policy to be pursued by the new administration with regard to Russia.

Conclusion of a trade agreement between Great Britain and soviet Russia has failed to produce a ripple on official Washington so far as outward appearances go. So far as can be learned, President Harding has not discussed the Russian question with any of his hundreds of callers and if he has taken up the question secretly with his cabinet that fact has been closely guarded.

Secretary of State Hughes has been equally uncommunicative concerning Russia. Secretary of Commerce Herbert Hoover, busy with plans for expanding American trade and widening the activities of his department also is silent concerning Russia. It is expected that when the administration finally gets around to consideration of a Russian policy, Sec-

retary Hoover will be the president's chief adviser because of his familiarity with European conditions and trade matters.

President Harding is understood to feel that there is no immediate need for haste in formulating a Russian policy. The situation inside soviet Russia is so unstable and the reports coming out so conflicting that the longer a definite policy is deferred the more clarified the whole situation will be when the job is finally tackled.

The bureau of Russian affairs of the state department is doing little except collect reports which come through devious channels from Baltic sources, and scan press reports. Considerable pressure is being brought to bear from labor sources for a resumption of trade relations with the Moscow government. Certain groups of American labor have taken a leaf from the British labor movement and are urging that Russia will provide a constant outlet for American goods. Several senators hold similar views, but to date their representations have been pigeonholed for

TRIAL OF MESSENGERS ALLEGED MURDERER BEGINS IN DAYTON

Frank Mills Faces Court
On Charge Of Grave
Crime.

Dayton, Ohio, March 16.—Taking of testimony in the first degree murder trial of Frank Mills, 21, charged with killing of Roy Shay, 19 messenger boy, July 6, began in Judge U. S. Martin's court today. As Shay's body was found in a secluded spot along the Miami river and Mills' arrest came several months after, when he was heard of in Greenup county Ky., with Shay's motorcycle, Fred Panstingle now in reformatory at Mansfield, is jointly indicted. It is claimed that Panstingle and Mills, following the murder, went to Mansfield and aided Martin Wacker to escape. A game warden seeing the number of the cycle called up dayton police. This gave them their clue leading to the arrest. Panstingle later went to Mansfield for violation of his parole.

INVITATIONS SENT OUT BY AUTO CLUB

Invitations to motorists to attend the banquet to be given by Jamestown and vicinity members of the Greene County Automobile Club at the American Legion Hall in Jamestown, Monday evening at 6:30 o'clock, have been sent out.

The meeting is for the purpose of inspiring interest in the Automobile Club in Jamestown and vicinity, and it is expected that at least 150 motorists will be present. N. N. Hunter, R. G. George and Ed Ballard form the committee in charge of the banquet. Charles Cross, of this city, is chairman of the committee that will arrange for a local delegation to attend the banquet. Other members of the committee are Lawrence Wagner, A. Moser and Joseph Kennedy. The local club has also received word that there will be a delegation of members of the Fayette County Automobile Club of Washington C. H. present at the Jamestown meeting.

HEART OF CITY WRECKED AS MINE SUPPORTS CAVE IN

Scranton Scene Of Peculiar
Accident Early
Friday.

Scranton, Pa., March 18.—Fifteen persons were compelled to flee for their lives when a mine cave-in in the heart of the city today wrecked a garage and a dwelling at Mulberry street and Wyoming Avenue and dropped part of the structure 40 feet into the mine. Later the front of the two story brick building crumbled and fell to pieces and the floor of the garage caved in dropping automobiles into the workings.

CHAPIN RETURNS TO CHICAGO AS REVENUE AGENT

Will Resume His Old Po-
sition In The Windy
City.

Washington, March 17.—Daniel C. Chapin acting supervising federal prohibition agent for the state of New York for several months, was today ordered to return to Chicago to take up his old position as revenue agent there, the bureau of internal revenue announced.

Revenue agent Earnest Langley has been placed temporarily in charge of the direction of prohibition enforcement in New York state.

It is understood that the change is made in preparation for an anticipated reorganization when the new administration takes over the work of prohibition enforcement.

HARDING WANTS DEBS' CASE REVIEWED

Washington, March 17.—President Harding has asked the attorney general to review the case of Eugene V. Debs, socialist leader now in the Atlanta prison, the White House announced today. Secretary to the president, Christian stated that the president will not take any action until the attorney general has made the recommendations.

PARENT-TEACHERS' ASSOCIATION OF BELLBROOK MEETS

An enthusiastic Parent-Teachers' Association, in the form of a community center affair, was held in Bellbrook, Wednesday evening.

The town hall proved far too small to accommodate the large crowd of citizens who gathered from all parts of the townships as well as the town. School spirit and community spirit runs high in Sugar Creek.

The program consisted of singing by the entire audience of patriotic and other familiar songs, led by Rev. Couser, with Mr. Harry Gross, teacher of the Bellbrook grammar school at the piano. Solos and singing by the grammar school proved entertaining.

The address of the evening was delivered by Supt. D. H. Barnes on "Rural Community Needs." He emphasized the Vocational—the need of better understanding of the things they try to do recreation as brought about through social gatherings and wholesome entertainment. He emphasized the value of the Bible, the well-organized home, the school and the church to a community.

Rev. Pine, of Ferry, and Rev. Wade of Bellbrook entered into the discussion of the address with great enthusiasm.

The audience was so pleased with the success of this meeting that they voted to hold them monthly.

The committee in charge were Harry Gross, Marie Maltup and Mrs. Hess.

Mr. Woods was President of the organization.

EGGS ARE FRESH AIR FIENDS, SAID

"Eggs are fresh air fiends," says E. L. Dakin, poultry specialist at the Ohio State University. "To successfully hatch eggs in an incubator," he says, "it is necessary that an abundance of fresh air be supplied at all times. If the incubator is placed in a room with two windows open on opposite sides, this will solve the problem of ventilation. Thousands of chicks fail to get out of the shell because about the fifteenth to eighteenth day of incubation they become poisoned by the gases which are thrown off from their own development. The only way to save the chick is to get the gases out of the incubator room. 'The cellar is by no means an ideal place for an incubator because it is generally poorly ventilated.'"

SHORTS AND MIDDINGS

Planting sweet clover? Better make sure to apply plenty of limestone if the soil is acid. Sweet clover won't grow on sour soil.

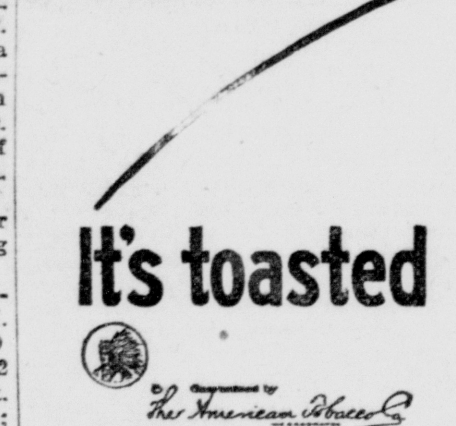

The hen should be allowed to remain on the nest with her chicks for at least 12 hours after the last chicks are hatched.

The effectiveness of limestone is dependent upon its fineness as well as upon its purity. Material coarser than one-twentieth of an inch has little immediate effect in correcting the acidity of the soil.

Much of the pithiness of celery is due to inferior seed. Of all our garden crops there are none in which the matter of good seed is of greater importance than with celery.

The liberal use of milk tends to maintain a sanitary condition in the digestive apparatus and to keep out those bacteria which produce toxic substances and which tend to bring on a condition known as auto-intoxication.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Menthosulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to fiery eczema, that nothing has ever been found to take its place.

Because of its germ destroying properties, it quickly subdues the itching, cools the irritation and the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rashes, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You get a little jar of Menthosulphur at any drug store.

FRECKLE-FACE

Now Is The Time to Get Rid of These Ugly Spots.

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face?

Simply get an ounce of Othine—double strength, from your druggist and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. The sun and winds of March have a strong tendency to bring out freckles, and as a result more Othine is sold in this month. Be sure to ask for the double strength Othine, as this is sold under guarantee of money back if it fails to remove the freckles.

CELEBRATE FOURTEENTH ANNIVERSARY THURSDAY.

The fourteenth anniversary of the Pride of Xenia Council Number 140 of the Daughters of America was celebrated with a short program in which the members of the Council took part, Thursday night.

The opening address of the evening was given by Mrs. Sarah Cosley of Dayton, who told of the principals upon which the Order was first founded. A monologue, "Maggie McCarty Having Her Fortune Told" was cleverly given by Mrs. Mattie Hunston of Springfield. A paper the patriotic principals of the lodge was read by Mrs. Alberta Ford.

A tableau with the personification of the three principles of the Lodge, Loyalty, Patriotism and Love, was given with the characters of Loyalty being taken by Mary Smith, Love by Helen Corrigan and Patriotism by Esther Ford, who were dressed in red, white and blue. The characters of Uncle Sam and The Goddess of Liberty were taken by Sherman Smith and Hazel Gruffy.

Dancing was enjoyed by the members and their guests following the program, the music being furnished by Lucile Chambliss at the piano and William Harner at the drums.

Members of the local Obedient Council were visitors of the Xenia Council, and Mrs. Effie Hill of the Violet Council of Springfield was one of the out of town guests. The anniversary program was in charge of Mrs. W. C. Harner.

ARE HOSTESSES TO W. R. C. ON THURSDAY.

Mrs. M. A. Sims and Mrs. Clarence McKinney were hostesses to the members of the Woman's Relief Corps, at a delightful St. Patrick's Day Party, given on the occasion of the regular meeting of the Order in the Assembly Room of the Court House, Thursday afternoon.

The hostesses, Mrs. Sims and Mrs. McKinney were dressed in attractive costumes carrying out the St. Patrick's day color, which was used in the decorations.

The guests numbered about twenty-five members, who spent the afternoon with their needle work. Dainty refreshments were served by the hostesses.

GIVE PROGRAM ON ST. PATRICK'S DAY

Students of St. Brigid's School enjoyed a program given in honor of St. Patrick's Day, at the school Thursday afternoon.

The feature of the program was a playlet given by the pupils of the school. A short address was given by Father John Malone of Hillsboro, upon the present condition of Ireland. The remainder of the program was devoted to musical numbers, consisting of songs and piano numbers, and quaint folk dancing by the young students closed the entertainment.

ARE HOSTESSES TO WOMEN OF CHURCH

The retiring officers and chairmen of the Second United Presbyterian church were hostesses to the women of the church, Wednesday afternoon.

A farce, "At the Photographers" furnished quite a bit of merriment. Two musical numbers were much enjoyed. A piano duet by Mrs. Fannie Moore and Miss Hazel Flagg and a vocal solo by Mrs. Graham Bryson were also upon the program.

A short business session was held for election of officers. The officers elected were: President, Mrs. James Patterson; Vice President, Mrs. Raymond Bull; Secretary, Mrs. McElroy, and Treasurer, Mrs. Thomas McClellan.

During the social hour a delicious salad course was served by small girls, decked in green in keeping with the St. Patrick decorations used throughout the church parlors.

IS CHARMING HOSTESS TO THIRTY GUESTS

Mrs. Robert Kelble proved herself a charming hostess, when she entertained about thirty guests Thursday afternoon at her home on West Second street.

The colors of green and white, in keeping with St. Patrick's Day, were used in the decorations, making the home very attractive. The color scheme was also carried out in the refreshments of ice cream, cake and mints.

Cards were enjoyed in the early part of the afternoon, and the later part was devoted to a social time. Prizes were awarded to Mrs. Charles Carroll and Mrs. Rose Grottenick.

The out-of-town guests were Mrs. William McCurdy and Mrs. William Glossinger, of Yellow Springs.

WOMAN'S MUSIC CLUB TO HOLD MEETING

The Xenia Woman's Music Club will hold an open meeting Monday evening at the First United Presbyterian Church, where a beautiful cantata "The Rose of Avontown" will be offered Xenia music lovers.

Several solo numbers will also be given by the members of the Music Club. There will be no admission charge and a large attendance is desired.

GIVES BRIDGE PARTY THURSDAY AFTERNOON

Mrs. J. Walker Gibney's afternoon party on Thursday afternoon was a charmingly appointed gathering. The affair was most informal and the afternoon was devoted to bridge, thirteen tables enjoying the game.

Decorations throughout the rooms of the Gibney home were in keeping with St. Patrick's Day and were carried out in dainty bouquets of carnations and sweet peas in green and white, used in the dining and living rooms.

Out of town guests for the affair were Mrs. Lawrence Labron of Springfield and Mrs. Robert Kohnle of Dayton.

KATHERINE BLACK CALLED BY DEATH OF CITY COMMISSIONER TO DISCUSS JOB

Miss Katherine Black, former well known resident of Greene County and daughter of the late Robert and Mary Black, of Beavercreek, passed away at her home in Dayton, Monday following a stroke of paralysis.

Miss Black is an aunt of Mrs. J. F. Harshman of this city, and Mrs. I. M. Kable of Shoup's Station, and a sister of Mrs. Rebecca Lafong of Zimmerman.

Miss Black, who was 75 years old at the time of her death, was born and raised in this county, and had made her home near Beavercreek until the past few years when she had resided in Dayton. She was a member of the First Reformed Church of that city.

She is survived by three sisters, Mrs. Rebecca Lafong, of Zimmerman; Mrs. Sampson Casad, of Missouri, and Mrs. Morris Carter of Dayton, and one brother, Jacob Black, of Sidel, Illinois.

Funeral services were held Thursday afternoon at 2:30 at the home of her sister, Mrs. Morris Carter, and were in charge of Rev. W. A. Hale of the First Reformed Church of Dayton. Burial was made at Hawker's cemetery in this county. The pallbearers were J. F. Harshman, I. M. Kable, Oscar Kable, Charles Brill, Forest Shoup and Samuel Black.

CALLS ON MEMBERS OF CITY COMMISSION TO DISCUSS JOB

C. E. Lippincott, of Sidney, one of the four candidates at present for the position of City Manager of Xenia, arrived here at two o'clock Friday afternoon, to meet the City Commissioners individually.

"I made application for the position by wire from Steubenville," said Mr. Lippincott, on his arrival here. "but as I had a day, at my home in Sidney today, I thought I would run over and see as many of the Commissioners as I could."

Mr. Lippincott is rated as an expert accountant. For five years he was City Auditor of his home city of Sidney, and for the last fourteen years he has been a member of the State Bureau of Accounting, inspecting the books in practically every city in Ohio during that time. He was one of the examiners who inspected Xenia City's books last fall.

"I am not a civil engineer and if the Commissioners want a civil engineer for the position, I will not be able to qualify," said Mr. Lippincott. However, I am of the opinion, that city under this form of government are not demanding engineers so much as they used to. It seemed to be the original plan of the charter form of government to

have an engineer as Manager but the cities seem to be getting away from that idea more now.

"As a matter of fact I believe that as a City Manager does not have the time to give to engineering big projects, and has to retain other engineers for this work, I think that engineers can be retained at a small cost, for this small work, and a Manager versed in the other phases of city government, may be just as valuable as a manager. In fact a number of cities recently have hired men from my department. The City of Cleveland which has a charter, but not a manager, has two men taken from the bureau of accounting, one as head of the finance department and the other as head of the department of accounts. Akron recently hired another man from our department to be assistant city manager. The manager of Akron is a business man and not an engineer."

Mr. Lippincott immediately arranged to call on members of the Commission whom he would be able to see on his visit to this city.

Why Are Skin Diseases So Difficult to Overcome

When your skin breaks out with itching eruptions, tetter, rash, eczema, psoriasis, or other terrifying disorders, temporary relief will do you but little good, for soon all the itching irritation breaks out afresh with renewed fury, and you soon realize that local remedies such as ointments, salves and similar treatments will never rid you of your trouble.

These troubles originate in the blood and if you expect real substantial re-

lief you must treat them through the blood.

The best remedy for this purpose is S. S. S., the fine old blood remedy that purifies the blood of disease germs, and thus restores the skin to a normal and healthy condition.

Begin taking S. S. S. today, and write a complete history of your case, and our medical director will give you expert advice without charge. Address Chief Medical Advisor, 161 Swift Laboratory, Atlanta, Ga.

BUT TWO KINGDOMS TO WHICH MEN CAN BELONG HERE

Taking for his text, the sixth chapter of Matthew the 23rd verse, "Seek ye first the Kingdom of God and His righteousness, and all these things shall be added unto you," Rev. G. A. Scott of the First Methodist Episcopal Church at the revival services being conducted by the church, Thursday night, convinced his audience of "The Importance of the Kingdom of God." Interest and enthusiasm have never lagged among the church-goers of the city who fill the large church assembly room each night to listen to the helpful and well-delivered sermons of Rev. Scott.

Rev. Scott's Thursday night sermon is given in part:

"Morally considered, there are but two kingdoms to which men can belong, the kingdom of God and the kingdom that is opposed to God. Probably all men have a desire to be in the Kingdom of God. But many are inclined to seek the things of the world first and after that the Kingdom of God. Christ says the Kingdom of God first. The best judgment of man also says the kingdom of God first.

"The kingdom of God is first in importance. When we think of a kingdom we are accustomed to think of some earthly realm ruled over by a powerful monarch. We have in mind a vast extent of territory with abundant resources and great treasures of wealth and large cities and a splendid capital and a magnificent coast. The Kingdom of God is in the hearts of all who devoutly worship God through Jesus Christ and obey his commandments. The Kingdom of God is righteousness. It comes first since it is righteousness. The right order for a life is God first. To violate the law of righteousness in anything that is done is to meet with failure. Put the Kingdom of God first and keep it first and everything in orderly process will work toward perfection and success in this life. The Kingdom of God is all inclusive. That received, everything else is added."

"Drifting Down," a beautiful hymn was sung at the Thursday night service by a male quartette of the church. The music of this hymn was written by Mr. Hackleman who is directing the music at the revival, and the words were written by Jessie Brown Pounds. Mr. Hackleman's solo Thursday evening was "The Books Will All be Open Over There." The regular song service completed the musical program.

On Friday night Mr. Hackleman will speak of the influence of John Calvin, the reformer on hymns and church music, which will be followed by a short history of "The Rock of Ages" which was written in 1776 the year of our American independence. Mr. Hackleman's solo Friday night will be "He Loved Me So Tenderly" which will be illustrated with 20 beautifully colored slides. The usual song service will follow this program.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain. Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use. 35c and 65c jars; hospital size \$3.00

BUICK

MODEL 21-45

For years the demand for Buick Cars has always exceeded the supply—even when Buick production mounted to 500 cars daily.

Because of the material curtailment of motor car production this Winter, the Country faces a decided shortage of quality cars this Spring and Summer.

Consequently Buick Dealers are advising motorists to place their Buick orders now because orders must be sent to Factory months in advance of delivery.

The reason why the demand for Buick cars has always exceeded the supply is more pronounced than ever in the 1921 Buick. Coupled with the noted Buick power and dependability, are added riding comfort, easier control, and a beauty and grace that fittingly express Buick worth.

Authorized Buick service insures full return on Buick investment.

Come in and look the 1921 Buick over and you will be convinced that you are getting more for your money than any car you can buy around this price.

Also you will find we are prepared to give you real service after buying a Buick car, and this is to be considered in buying a car.

See us for your Repairs, New Tops, Vulcanizing, Accessories, Tires and Oils. Quality goods cheapest in the long run.

PROSECUTOR RULES SPRINGFIELD PICTURE THEATERS MUST CLOSE

The fight, led by Springfield ministers to close motion picture theaters in that city on Sunday, has reached a climax with the announcement of Prosecuting Attorney Donald Kirkpatrick, that proprietors of movie theaters operating on and after Sunday, March 20, will be charged with violation of the law.

While attorneys for the motion picture men are silent as regards their plans, it is understood that the theaters will be operated the same as usual. The penalty is a fine of \$100 or imprisonment for not more than six months, or both. The law is part of the State Code and was passed in 1881. The fight against the Sunday operation of motion pictures is being waged by Rev. C. M. Burkhardt, pastor of the Church of Christ and a member of the committee on "Sabbath Observance and Civic Reform" of the Ministerial Association. He claims to be backed by 3,000 laymen who have signed a petition.

BOYS' AND GIRLS' CLUBS ORGANIZED

For the purpose of organizing Boys' and Girls' Clubs, the pupils of the fifth, sixth, seventh and eighth grades of the Bath Township School, and their teachers gathered at the Township High School Thursday afternoon, where they received instructions in the work.

The meeting, which was in charge of District Superintendent D. S. Ryan was addressed by Prof. F. K. Keeler, and County Superintendent H. C. Aultman, who explained the purposes and organization of the clubs. The enrollment stood as follows: Pig Club, 5; Poultry Club, 8; Food Club, 19, and Stock Judging Club, 6, making total of 38. It is predicted that the membership will reach 50 within the next few weeks.

Games of volleyball and baseball concluded the day's program.

Just Plain Bitro-Phosphate If Nervous and Run Down

"Neurasthenia is nerve exhaustion," says Dr. Frederic S. Kolbe, author of medical text books, and is caused by worry, overwork, emotional excitement and excesses of various kinds.

To restore to complete health the men and women whose nervous energy is undermined, a pure organic phosphate known to Sayre & Hemphill and all leading druggists as Bitro-Phosphate must be taken freely with meals until the nerve and brain cells are revitalized with this natural element. It is nerve-weakened people's one hope for a happy useful future.

AN EASY WAY FOR THIN PEOPLE TO PUT ON FLESH AND GAIN WEIGHT

Strong, Straightforward Advice To Thin, Underdeveloped Men and Women

If you are thin, scrawny and underdeveloped, if your face is peaked and your cheeks and neck exhibit unsightly hollows, it's almost certain that your nervous system is at the bottom of the trouble. You can eat three, four, or five hundred fat producing meals a day but as long as your stomach has an insufficient supply of nerve force this food you eat will pass out of the body with little if any benefit.

In order to assimilate properly the nourishing food you eat and convert it into healthy tissue and fat the nerves that control the process of digestion and assimilation must be put in first-class shape and until that is done you might just as well quit trying to put on flesh. Your system is starving for something that will turn the food you eat into healthy, stay-there flesh and it can only be done in one way—by correcting faulty nervous digestion.

Thin, nervous, run down people, however, with impoverished blood and half starved looks are hailing with delight a quick and certain maker of solid flesh called EVANS' TRIPLE PHOSPHATES that is unequalled for repairing faulty digestion and correcting nervous digestive troubles. In fact the makers of Evans' Triple Phosphates guarantee that one month's treatment will increase your weight by several pounds and within ten days make you feel like a new being, full of ambition, vigor and a desire to accomplish things. Sohn's Drug Store and Sayre & Hemphill, and leading druggists everywhere have agreed to supply Evans' Triple Phosphates and guarantee it to do just what is claimed for it or money refunded.

Caution: While Evans' Triple Phosphates accomplishes wonders in nervous digestive troubles and as a general nerve-tonic, it should not be taken by anyone who objects to a few additional pounds of solid stay-there flesh.

STARTS SECOND YEAR TEACHING IN DAYTON

Dr. Harold C. Messenger, local specialist in children's diseases, has started his second year of teaching classes of nurses at Miami Valley Hospital, Dayton.

Dr. Messenger teaches the nurses "Infant Feeding and Diseases of Children." The local physician was put on the staff in this capacity last year and is now entering his second year of the work. He was formerly House Surgeon at the Hospital.

CRAIG SCHOOL FORMS NEW PIG CLUB

The Craig School and friends held a social at the home of Harvey Wolfe, Wednesday evening. The topic for discussion was "Club work" of the boys and girls as promoted by County Agent Ford S. Prince and encouraged by Superintendent Barnes and the teacher Mr. C. P. Yowler of this city. Parents and children decided that a Pig Club be formed. This club consists of Roy Noggle, president; Lawrence Beam, secretary; Harold Wolf, Edith Miller and Mary Sanders.

James Beam, son of A. E. Beam and Denver Wolf, son of Harvey Wolf will, become members of the Spring Valley Township Stock Judging Club.

Refreshments were served and a social time enjoyed after the business session.

DEATH ENDS LONG SLEEP

Columbus, Ohio, March 18.—Miss Zetta Bissman, 17 year old, died here a victim of sleeping sickness. The young woman was ill about two weeks. Courts' announcement was made

"GREEN BUGS" NOT LIKELY TO ARRIVE

The "green bug" or southern grain louse, which is now present in Texas and threatening to damage the wheat, will not likely get as far east as Ohio. T. H. Parks, extension entomologist of the Ohio College of Agriculture states that this is the same pest that seriously damaged wheat in Texas, Oklahoma, Kansas, and Missouri during 1907. During June of that year it came as far east as Ohio and killed the oats crop in the southern part of the state. It came too late to damage wheat.

The insect is a small green plant louse which winters in Texas as an adult. During mild weather in February and March in that state it may multiply very rapidly and cause the wheat to turn yellow before it has made much growth. After the crop is damaged many of the bugs develop wings and are carried by the wind to new fields. In 1916 Mr. Parks observed them being carried by the wind from damaged wheat in northern Oklahoma to fields in southern and central Kansas. Serious damage followed to the wheat and oats crops.

Insect parasites usually put a stop to the damage. These require warmer weather to develop than the green bug requires. Warm spring weather puts a stop to the green bug outbreak. Mild winters followed by a cool spring make such outbreaks possible.

TRACTION FIGHT TO SHIFT

New York, March 18.—The next scene of the New York City Administration's fight against Governor Miller's plan for a state-controlled traction system for the city will be in the young woman was ill about two weeks. Courts' announcement was made

by Corporation Counsel O'Brien and United States Senator Hiram W. Johnson, of California, who has been retained as special counsel to fight the traction bill, which was passed by the State Senate at Albany yesterday.

"Gets-It" Ends All Corns

Just As Good For Calluses. Money Back If It Fails.

Thirty seconds after you touch the corn with this liquid corn remover the jabbing, stinging pain of it stops for all time.

Simple As A, B, C.

No corn, hard or soft, is too old or too deeply rooted to resist "Gets-It." Immediately it dries and shrivels, the edges loosen from the true flesh and soon you can peel it right off with your fingers as painlessly as you trim your nails. Don't coddle corn pests. Don't nurse and pamper them. Don't cut and trim them. REMOVE them with "GETS-IT." Costs a trifle at any drug store. Mfd. by R. Lawrence & Co., Chicago.

Sold in Xenia by D. D. Jones and Sayre & Hemphill.

HAVE DARK HAIR AND LOOK YOUNG

Nobody can tell when you Darken Gray, Faded Hair with Sage Tea.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, at very little cost. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

WALL PAPER PAINTS VARNISH

Sir Walter Scott's
Crimson Wall Paper.

SIR WALTER SCOTT personally supervised the hanging of his dining room with a crimson colored India paper and at the time was very much afraid that the paper would not reach clear around the room. No such worries for Sir Walter had he been able to call at our store for his wall paper. We could have told him exactly how much paper he would need, and we might have suggested something more soothing than his crimson paper, which, history has it, annoyed him greatly.
